Conservation Plan/NRI Subcommittee**

Meeting Minutes

February 22, 2012

Meeting opened at 5:30, lower level meeting room at the town offices, with Pete Throop, Ben Haubrich, Barry Wicklow, Linda Kunhardt and Betsy Hardwick.

Results of February workshop have not been compiled.

Discussed plans for April workshop. Discussed various concerns about our water resources and related issues, and how those might tie into a workshop that would be interesting: groundwater/surface water, what do we have for water resources in our town, what is the condition of those resources, how can we maintain the quality of those resources?

Need speakers; possible John McGee from NH Fish & Game, Pete will try to find other speakers and will be in touch with more information/questions.

Will work out details at next meeting to be held March 28th at 6:00.

Adjourned at 6:35
